

ANNOUNCEMENT

VIRGINIA'S FINANCIAL ALIGNMENT DEMONSTRATION TO INTEGRATE CARE FOR DUAL ELIGIBLE INDIVIDUALS

SERVICE COORDINATION WORKGROUP MEETING

JULY 27, 2012
10AM TO NOON

600 EAST BROAD STREET
RICHMOND, VA 23219
ROOM 7A/B

The Department of Medical Assistance Services (DMAS) is convening a Service Coordination Workgroup to discuss issues related to service coordination in the Dual Eligible Demonstration. Workgroup members have been established and include advocates, providers and their representatives, other public organizations, and managed care organizations that have expressed an interest in participating in the Demonstration. The workgroup results will inform the development of the Request for Applications for procurement of health plans to participate in the Demonstration.

The goals of the meeting include:

- Review CMS' requirements for service coordination;
- Become familiar with the roles played by various providers and health plans who serve individuals who will be eligible for the Demonstration;
- Define service coordination as it pertains to the Demonstration;
- Identify considerations that need to be taken into account;
- Identify elements needed to develop an effective service coordination program;
- Facilitate the development of linkages and partnerships among stakeholders.

All individuals with an interest in the Demonstration, and specifically the service coordination element, are invited to attend/observe the meeting. If time allows, comments from non workgroup members may be taken from the floor, and comments can always be sent to DMAS via dualintegration@dmass.virginia.gov.

Please RSVP by July 23, 2012 to dualintegration@dmass.virginia.gov.
